2019年5月，在福建省各级政府和有关单位的支持下，永辉超市股份有限公司携手香港怡和集团、福建省交通运输集团和福州民天集团联合打造1233 S2B全球消费品供应链服务平台。平台将立足福建，辐射全国，链接全球，致力于发展成国际领先的、服务国内外贸易企业的综合性供应链服务平台，实现“买全球，卖全球”。

1233 S2B平台针对传统供应链体系中存在商品采购成本高、产品质量不稳定、效率低等诸多痛点，提供行业领先的一站式供应链服务——全球寻源、联合采购、支付金融、链路营销和数据赋能。

1233 S2B平台聚焦全球生鲜、食品百货行业，突破传统的供应链体系，通过数字化手段构建全渠道的供应链服务平台，重塑一个开放、共生、共享的交易服务体系，推动买卖双方线上直买直卖，让买卖更简单。

Under the impetus of the Fujian Provincial Government, in May 2019, Yonghui together with Jardines, Fujian Transportation Group and Fuzhou Mintian Group, jointly created the 1233 S2B International Consumer Goods Supply Chain Service Platform. The platform will be based in Fujian, spreading across the country and linking up the whole world, with the aim to become a global-leading comprehensive supply chain service company and facilitate international trade.

Presently, the traditional supply chain faces high procurement costs, product quality inconsistency, low efficiency and other pain points. To deal with these problems, 1233 S2B is providing industry-leading one-stop supply chain services: Global Sourcing, Joint Procurement, Financing and Payment, Marketing Chain and Data Empowerment.

1233 S2B focuses on the fresh food industry and the grocery and general merchandise industry. 1233 is using digital technology to build an omni-channel supply chain service platform, which reshapes an open, synergetic, and shared trade service system that further promotes online direct-selling and direct-buying among platform-registered companies.
